“ Polly was a dear friend for more than 35 years. She was such an inspiration for all who knew her. She always had a smile even when suffering unbearable pain. I rejoice that she is now without pain and is smiling down on us from Heaven. I love and will miss you terribly.

I knew Polly from Joy of Living. She had the sweetest smile and encouraged me with that sweet smile every time I looked at her. I'm sure she blessed your lives in the same way. My prayers 🙏
