

Phillip Nickolas Jackson

February 9, 1944 - January 13, 2020

Phillip Nickolas Jackson, Sr. was born at home on February 9, 1944, in Tulsa, Oklahoma, to Marshall Edward and Inez Thornhill Jackson. He died peacefully surrounded by his family on Monday, January 13, 2020, in Tulsa, Oklahoma, at the age of 75 years. Phillip completed his secondary education in Tulsa and graduated with the Central High School Class of 1962. A veteran of the armed forces, he served his country honorably as an electronic technician aboard two destroyers in the United States Navy; the USS Shelton (DD-790) and USS Hopewell (DD-681) where he completed two tours in the Vietnam War earning the National Defense Service Medal, Vietnam Service Medal with two Bronze Stars, and Republic of Vietnam Campaign with Device. Proclaiming his love to her when she was only 14 years old, Phillip was married on June 6, 1964, in Tulsa, Oklahoma to Shirley Bellamy. They were faithful members of their childhood church, Garnett Assembly of God then later Eastland Assembly of God, both where he served as a deacon. A respected tool and die maker by profession, he owned his own companies, LaVonne Industries and most recently, Nickolas Manufacturing and was issued a patent by the US Patent Office for a 5th-wheel king pin stabilizer he invented which revolutionized the industry. Interests were varied and diverse including licensed pilot, certified scuba diver, boxing, Indy/NASCAR, and supporting all local sports teams with a preference for the Oklahoma Sooners. He and Shirley enjoyed traveling to Branson, MO in their RV with the grandkids and trying all the roller coasters. Riding motorcycles, trips to the gun range, his

gun collection, participating in the ride-a-long program with the Tulsa Police Department and serving as president of the Western Village Homeowners Association provided him great joy. Cherished loved ones he leaves behind with hearts full of memories include:
