“ *The Almond family was our neighbor and what great neighbors they were. Our kids grew up together and graduated together. Rachel was a beautiful young lady who always had a beautiful smile and kind words. Rachel fought a very hard fight and now she is resting in the Lord. Jean, I pray for God’s Peace for you and your family as you take one day at a time as He blesses you all with sweet, beautiful memories of your precious Rachel.*

“ *We met John and Rachael at BYOD, and quickly became friends. As I suppose we all did. We love them, their big hearts and their passion for animals. Rachel always had time to laugh and share a story. It was very special. You will be dearly missed friend.*

“ I watched Rachel grow up from a pretty little girl to a beautiful woman. I loved watching her play softball and basketball. She did both very well. I am so sorry she had to leave her family so early. I know she will be missed but wonderful memories linger. She is rejoicing with her new healthy body with Jesus. ❤️
