

Ralph Norman Rockwell

December 6, 1937 - July 17, 2025

Ralph Norman Rockwell, aged 87, went to be with our Lord on July 17, 2025. Ralph Rockwell was born on December 6, 1937, in Milwaukee, Wisconsin to Ralph Rockwell and Rose Mae (Devlin) Rockwell. He graduated with the Wellesley High School Class of 1956 in Massachusetts. He then went on to graduate with a Degree in Mining Engineering from the highly prestigious Colorado School of Mines.

Ralph was married on September 10, 1960, in Golden Colorado to Anne Marie Constance (Ginion) Rockwell. He had such an accomplished career and spent most of his working life as a Mining Engineer, which took him to many projects around the country, including his secretive involvement in constructing the runway for the Stealth Bomber in Tonopah, Nevada and working the pipeline in Prudhoe Bay, Alaska.

Ralph was a longtime faithful member of St. Bernard's Catholic Church in Tulsa. He was also active with Meals on Wheels in Tulsa where he served as a bookkeeper and delivered meals. In his spare time, Ralph enjoyed a variety of past times such as working out at the YMCA, mowing and working in his yard, playing the banjo and enjoying the challenges of day trading on the stock market. Most of all, he loved spending time with his family and was especially fond of his role as "Pa." He will be remembered for his smile, his kindness and his unwavering love for his family. He is survived by:
