“ My husband, Candido and I fell in love with Randy and Karen when they came to the Bronx to help their daughter, Becky and Jordan move in. The sweetest family. So glad to have had the honor to meet them. Fly high. Brother Randy. You have earned your place in heaven.

“ Randy and I attended Franklin Elementary School together, from the 1st grade, which I think was 1959. We were both baseball players and played for Franklin. I remember coming over to Randy's house, after school, which was just two houses south of the school building. His Mom was so nice to us.....Our school life continued through high school, with us both graduating from WRHS in 1973. Randy was a member of the state championship baseball team at Rogers, which didn't surprise me! He was a lifelong ball player! Through the years, he went into his family business and I became a cop....in our 60's, we reconnected through Facebook, which I really enjoyed....I want to thank Randy's family for allowing me to share in his life. I am very saddened to hear of his passing. He was two days older than me. Bless all of you....and know that Randy's legacy will live in the cherished memories of his friends, and more importantly the living legacy of his family!!
