“ Gerry and family,
You have our love and sympathy at this time of loss of your husband and dad. We have many good memories to look back on. Marv was a close neighbor and rode the same school bus. They were confirmed together and Graduated together. Had many good times to remember. Like when they painted Marvs old Model A Ford red white and blue with brushes in Bobs garage. He will be greatly missed . Our Love, Marvin and Judy Taylor

“ Gerry & Family, We were saddened to hear that Bob is gone. We send our sympathy to you and all of his children. We spent some quality time together at the last class reunion you guys attended when you rode with us to the events. We know you will miss him in your lives. It's a strange time right now when we can't gather together for support. We experienced that in April when Paul's sister (another member of that Great Pocahontas Class of 1953) left us too. Paul & Bob were not only classmates, they were neighbors. There are many memories. Paul & Maxine Barrett from Pocahontas.

“ I had the pleasure of working with Bob for 8 or 9 years at Thermogas. We were in the corporate group and traveled together on many occasions. Bob was old school. A good story teller and never seemed to run out of stories to tell. And his stories were entertaining as well. He was interesting to work with and be around and learn the history of Thermogas and our industry from. An all around good guy with common values and common sense. Rest in Peace, Bob!
