“ *Linda and family,*

Our deepest sympathy, thoughts and prayers are with you. I have appreciated the friendship of Roger over the years. He was a youth sponsor while I was in the highschool group at the Ulysses MB Church. We had a lot of fun together and also sing together at different times. While in seminary he helped Diane and I financially with some gifts which were very appreciated. I am thankful that I could journey with him for a period of time here on earth. May God's peace and strength be made known to you as family during this time of loss. Diane and I regret that we can not be present at the celebration service today. Our prayers are with you.
