“ I have so many fun memories with nana. Some of my favorite times with her was, when I was little and I'd stay the night with her. She'd always let me sleep in her bed with her and we'd watch tv and she'd always bring my fruit cut up with salt on it. People think I'm crazy because I love salt on my fruit. But that's how nana made it for me. Another favorite is getting to get in the hot tub all the time. Our lunch dates. Sitting on the porch talking and watching the humming birds. I always loved listening to stories from nana and papa. Nana was my best friend. Always made me feel safe and loved.

I used to ride the bus home to their house, and her and papa always had some kind of bunt cake waiting for me. My favorite was yellow cake and chocolate icing.
