“ Ryan.....I'm just finding out you're no longer with us...it is 3-30-24 past midnight and I am heartbroken I have thought about you from time to time...the last time we spoke was a few years ago but I've always had you in my heart. You were my crazy guero...my military boy...I remember all those times you would be in your motorcycle and how you would drive from Barstow just to come see me...the times you almost gave me a heart attack with your motorcycle tricks..when we went to parties you and I in your motorcycle...to our many times you shared a smile with me to when you were in Hawaii...I am in disbelief, choked up, and tears just fall as I write this...Thank you for always being a gentleman, sweet, caring, and a great friend..I'm truly going to miss you very much...til I see you again my crazy guero...rest easy!
