

Sandra "Sandy" Kay Sewell

October 10, 1940 - February 26, 2026

Sandra "Sandy" Kay Armstrong Patton Sewell was born October 10, 1940, in Tulsa, Oklahoma, to James Douglas Armstrong and Margie Estelle Cypert Armstrong Fry. She joined our Lord and Saviour on February 26, 2026, in Locust Grove, OK, at the age of 85 years. Sandy was raised in Tulsa, OK, where she attended Webster High School and then graduated from Central High School.

One week after graduation, she married Dan Howard Patton, Sr., on June 7, 1958, with whom she had a son and a daughter. Sandy worked for the National Bank of Commerce in Tulsa and studied banking at the University of Tulsa. She then worked in the business office of Anchor Paint Manufacturing in Tulsa for almost two decades. She married Charles Richard Sewell, Sr., on July 9, 1975, in Tulsa, OK, and embraced his three sons as her own.

Together, in 1977, they purchased and, with the help of Sandy's savvy business skills, they built Tulsa Utility Contractor, Inc. (Tulsa Utility) into a thriving business. Sandy served as the Secretary Treasurer for Tulsa Utility as well as being a member of Tulsa Utility's Board of Directors for 45 years until the business was sold at the end of 2022.

Sandy was very artistically creative and participated in ceramics, doll lace-draping, quilting, painting, and other artistic pursuits throughout her life. She was joyfully active for years in the Quarterback Club for Lewis & Clark Junior High and was honored to serve as the Oklahoma Grand Guardian of Job's Daughters. Sandy was a graduate of the Bible Study Fellowship program and

a member of the Order of the Eastern Star. She loved thoroughly researching and documenting her family's genealogical ancestry. Sandy served as an ordained Elder of the John Calvin Presbyterian Church in Tulsa for several decades.

Throughout the years, alongside her husband Charlie, Sandy was the driving force who worked fastidiously in the background and supported the activities of the many organizations that her family participated in including the Akdar Shrine which serves the needs of children in the Tulsa area. Her favorite place to be was on her screened-in porch (she called it her "little slice of heaven") where she could enjoy watching all of God's nature around her including animals, plants, and beautiful flowers. She lived her life in service to others and made a profound difference in helping others get on the right path. She was an inspiration to all those in her life.

Those Sandy leaves behind include: Her Children, Dan (Danny) Howard Patton, Jr. of Tulsa, OK, Daylyn McCort of Bixby, OK, Charles (Little Charlie) R. Sewell, Jr. (Annetta) of Verdigris, OK, Tom Sewell (Jan) of Keystone, OK, Andy Sewell (Ronica) of Broken Arrow, OK, and David Wilson (Durenda) of Skiatook, OK; Grandchildren, Chelsea Patton & Chance Patton of Jenks, OK, Evan Sewell, Wade Sewell (Kasey), Dana Lichtenwalter (David), Ashley Zoller (Josh), Andrea (Annie) Wright (Aaron), Alex Sewell (Regan), Rob Sewell (Wacey), Kelli Wilson, Korey Wilson (Bailey), Taylor Wise (Faith), Nick Wise (Jen), Austin and Amelia Hasch, and 26 Great Grandchildren. Sandy was preceded in death by her parents, Charlie her husband of over 46 years, her son-in-law Philip Drew McCort, daughter-in-law Angela Walden Sewell, grandson Keith Wilson, and great grandson Beckett Sewell.

“ Have tried to share one memory out of our 60 year friendship and hard to do ..thousands of them. We met when she and Dan moved to Sioux City, Ia from Tulsa, Okla. and she knocked on my door and came in ...I was sitting on the couch with my 6 week old son giving him his 10 o'clock bottle feeding...she said .."you're feeding that baby wrong"...I looked up and said..."well I have a 2 yr old daughter in the other room so I think I know something". Need I say more ..we loved each other within 24 hrs .and 60 yrs later, my distance in not living next door didn't change anything. She truly has been my best friend..we were both poor but managed to find money to.pay long distance calls up to \$60 a month,! Only happened one time and moved down to \$30 a month . She stole cigarettes from Dan (she didn't smoke) whenever my cigarettes were gone ..we packed the kids in her coup car and bought cokes at drive inn once a week by selling the empty coke soda bottles when u used to get money if u returned bottle! We laughed til we wet our pants, we cried in each other's arms (I was a bigger "cryer" as she comforted me more) ..we both knew we were the real true Best Friends" within a week and remained so for 60.yrs even when she moved back to Tulsa. If only everyone could have a "Sugar" friend in their life, how much better it would be. As we agreed, she is "saving me a place in heaven" as she was nicer and better than me and as I said to her "I'll need all the help I can get honey...trust me Heaven and Jesus and The Lord Himself will be there for u..". They threw her mold away ..Hope she remembers how much I loved her and actually how much everyone loved her!!!
