“ *Sally was a wonderful person with a beautiful smile. Until we meet again.* ”

John Ketcher - December 02, 2023 at 05:28 PM

“ *I was poor and she made it possible to believe in myself even through the adversities of life as an adolescent who had to suffer life when my mother took on the role of two parents raising two delinquent children. At her best, Sally Bowman was a God send to the kids who didn't have fathers and accepted everyone no matter their adversities. She was absolutely accepting of any flaws due to life's challenges. She accepted everyone with positive reinforcement no matter where they came from. She accepted everybody as a person as an alternative superintendent and Mr. Hamilton you can't forget.* ”
