“ I got to know Scott during his time leading the Supply Chain for Ascension here in Kansas (while still covering Oklahoma), and it was truly a pleasure to work with such a wonderful man. Scott was always friendly, and worked very hard to make sure that the healthcare team had everything they needed so that patients could experience a great outcome! I was very sorry to hear of his passing, and would like to express my sincere condolences to the family. My thoughts and prayers are with you.

“ I am so sorry to hear of Scott's passing. He was such a nice and compassionate man. I had the pleasure of working with Scott at Ascension with his capital imaging purchases. He always wanted to make sure he was handling each situation correctly so that patients were taken care of as well as those caring for them. “ I worked directly with Scott when I was part of the Resource Group, and indirectly through my various positions at St. John. Scott had a great sense of humor and seemed to deeply care about doing his best for the benefit of others. He was well liked, and as good of a person as you would ever meet. I am going to miss him deeply.

“ I worked at Jane Phillips hospital with Scott for many years. We had a great deal in common: stubborn, opinionated, unwavering commitment to our work. We shared the same birthday, July 20. We both liked #9 lead in our mechanical pencils! I treasure my friendship with Scott and will miss him.
