“ ‘I watched Shane play little league football in Mustang. He was always so full of excitement for everything that he did. Then when we moved to Owasso and found out he was singing at local reaturant, it was good to go watch and listen to a fine young man perform. Since I worked for his father at CMI in OKC I have kept up with the family. \r\nIt has been hard to understand how a father of three boys must be taken, but faith will get us thru. My wife and I lost our son 4 years ago at the age of 41 also. The pain never goes away but time does make things easier. \r\nI encourage the family to remember the fun times with Shane and honor his memory by sharing the positive things that you remember about Shane. I will always remember his excitement about sports as a young boy. \r\nBen Cunningham’

“ *'Oh Jen, I am stunned!!! What a beautiful family you all were. You can be so satisfied with how you lived Shane, and the parents both of you were together to your precious boys. Now...and eventually, when all dies down, I'm trusting the Lord to make His presence so real to you and your boys. To be comforted by THE Comforter. All I can say is I AM SO SORRY!!!\n\nI'm in the international Christian group, GriefShare. Very good. Something maybe to consider later. I love you. '*
