“ Sharon was the mother hen that kept all the boys in line in the Traps group at TD Williamson. Very meticulous in her work which was why she was our Document control person. She told me all about growing up in Huntington Beach and her family and of course I had to see all the pictures of grand kids. She was my guardian Angel God used to save my life on 9/15/2014. We'll miss you!

“ Mike and family, I am truly sorry for your loss. Sharon and I met in 2016 when I moved to Tulsa and joined the TDW family. She embraced me with loving and open arms, a listening ear, guidance, laughter, and a genuine mentorship/motherly love. I will miss her wit, stories, smile and updates on the severe weather in our area. Prayers for healing, strength and peace for the Mudd family. I love you all.

“ I am genuinely sorry for your loss. She and I worked together at TDW and then after she retired, we had our lunches that I called Group Therapy. She was always supportive of us and was like another mother to us. She will be sorely missed. I won't have anyone to warn me about the weather headed my way now. lol Prayers and love to you all.
