“ I have been blessed to have had a close relationship with Sharon this past year. We grew up together in Madison Wisconsin. Our families were all close in those days. Sharon was the sweet lovable cousin! This past year we reconnected after many years. She would send me a text message blessings everyday and an I Love You! So special! She was a dear cousin but also a friend. We talked many times and I will cherish those conversations. I was so hoping to come visit this summer. I wanted to meet Macie, as she looks just like my Stewart that passed two years ago. I will look forward to the day we meet in heaven. God Bless you all! Much love, Karen

“ Sharon was my sister, and best friend. I will always remember when we first met. It was when our parents (my dad, her mother) were dating and we were at the Elks Club. We were so excited to meet each other and soon we were best friends! She was one of the most generous, loving, fun people I knew! I could tell her anything and she never judged me. She just loved me.

When our folks married and joined households, Sharon gave me her room so that I would feel welcomed! She moved her stuff into a smaller room. She sent me baby cloths when I was a young mother having money troubles. Well, the list goes on and on. What she did for me not only with things, but with her support and love, I will never forget!

We shared a bond that no one will ever replace! I love you sister!
Until we meet again, may God hold you in the palm of his hand.
