

Shawn Wayne Horton

May 3, 1965 - March 9, 2025

Shawn Wayne Horton was born on May 3, 1965, in Dallas, Texas to Donald Eugene Horton and Glenda Joyce (Miller) Horton. He passed from this life on Sunday, March 9, 2025, in Tulsa, Oklahoma at the age of 59 years. Shawn was raised and educated in Mission, Texas and graduated with the Mission High School Class of 1983. He then went on to earn an associate's degree in automotive engineering from Texas State Technical College in Waco, Texas. Prior to becoming an independent contractor with TBT Consulting in Tulsa, Shawn owned a salvage yard in Alamo, Texas. The beginning of Shawn's love for ranching was owning a ranch in Edinburg, Texas as well as one in Rock Springs. He co-founded Freedom Whitetails of Oklahoma Deer Farm in Boley, Oklahoma. Shawn served as the president of the Okfuskee Control Fire Burn in Okfuskee County, Oklahoma. Shawn had many passions, such as fishing, hunting, bow hunting, and building racecars. Musically gifted, Shawn enjoyed playing several instruments and singing. Shawn maintained lifetime friendships with some of his elementary classmates, revealing his loyalty, trustworthiness, and sheer likeability. Shawn treasured his nephew, Ben, and niece, Brooke like they were his own, because Shawn's biggest love was his family. He enjoyed nothing more than spending time around a table, eating a home-cooked meal, laughing and telling stories which were accompanied by sound effects and hand motions. His place at the table will be greatly missed, but the memories he gave us, we will cherish in our hearts forever. One thing all his friends and family would agree on is that Shawn exemplified Jesus'

description of the “Good Samaritan” in that he would do anything for anyone at any time. He is survived by:

His Parents;

Don and Glenda Horton

Sisters;

Melissa Boucher and husband Jim

Heather Jenkins and husband Alan

Nephew;

“ Family time just got a lot quieter for the Horton bunch. Shawn was a such a big chunk of the "life of the party" atmosphere that we all take for granted when we get the chance to be together. Anyone who ever shared a meal with him has been caught with a mouth full of food when he wise-cracked something... Anyone who has ever stood by waiting for him to arrive knows that a hug from Shawn lifted you off your feet and he quite nearly would squeeze the breath out of you. Anyone who has met him knows he'd pull you in with that bear of a handshake he gave, and it always came with a pat on the shoulder or a hug, no matter who you were. He was loud - he was fun - his face always gave him away with the thousand expressions and that side-eye that always said, "Are you trying to pull a wooley on me...." - he could whistle you up from 40 acres away - he couldn't sit still - he always had a 'brilliant' idea for some orneriness when we were kids - and nobody will ever laugh that crazy laugh that started with a "awwwwe" growl and then just busted loose. Nobody filled a room with their personality like Shawn. Yes... it's gonna be too quiet without him. Hope he's been huggin' on Pawpaw Andy and catching up on stories with the rest of 'em. One last crack for you, Neph.... Whataburger's wondering why their bottom line fell out ... burgers up. Miss you already. Aunt Sis

“ Was so sorry to hear of the loss of Shawn. He was a good friend and one of a kind individual who always wanted to help his neighbors. Folks that met him had a friend for life. He believed in doing his best in everything he attempted. Prayers for the family for peace and comfort during this difficult time.
