“ Dear Family of Sherry Roberta Boyd, You are in my Loving Thoughts and Prayers. I have never met Sherry but came to know of her & your Family through my cousin Vera Breedon. A few years before Vera passed away we exchange many letters, pictures and Family information and I developed a interest and admiration for your Family. Vera was so proud of her Family and loved them so deeply. My connection to your Family is through my Grandmother, Elizabeth Minnie (Wilson) Howell. She was the Sister of Charles (Fide) Wilson. May Blessings of Peace and Comfort be with each of you as you feel the sadness of losing your beloved Sherry. Mary McBride- 607 W Country Estates Ave- Gilbert, Arizona 85233-8259

“ Sherry was the best friend and strongest Christian I was ever blessed to know. She prayed with me through many hard seasons and rejoiced with me in good times. She loved on my family in so many ways over the years. Life without her will never be quite as bright, but I know she'll be waiting with a hug when I go to join her someday.
Carl, Trent, Todd, I can't imagine your grief at her loss. I know it will be hard to learn how to not have her here. I will be praying for peace and comfort for your whole family.

“ Ms. Sherry, as we always called her became a dear friend. She was one of the first people who we met after we moved back to OK & started living in Oologah & attending FBC in Oologah. She taught Sunday School, played the organ & was on several committees. She helped with so many things at the church. Even after we stopped attending there & she couldn't attend because of health, she kept in touch with so many of us, calling, sending cards & gifts, never missing a birthday or Christmas. We talked on the phone often & kept in touch about our families & health issues. She was a prayer warrior & taught me so much about what it means to live the Christian life. We shared old nursing stories & she was a huge support during my Grandmother's Alzheimer's disease & passing & my Mom's cancer diagnosis & passing. She always asked about you even though she was dealing with her own health issues. She prayed for & cared so much for the youth & always supported our daughter in everything she has done. We love her like a Mom, a grandmother to our daughter. She always asked about our sons family & was so delighted to hear about our granddaughters. I could go on & on. She even came to my Mom's funeral service & just sat in the back of the church & left after the service, but I saw her there. It was when covid was still a concern & for her to do that showed me how much love she had for us, for others. I know she's in Heaven. We talked about dying & Heaven a lot & I knew she was ready to go home. I know she's was welcomed & told what a faithful servant she was by our Lord. Ms. Sherry, I love you & I'm so blessed to have had you in my life, even for the short time it was. Enjoy your reward & rest easy now. God bless you & thank you for everything.
