“ It's been about two weeks since you've been gone. We miss you each and every day. It still doesn't seem real. You were the best mother and my close friend. I love you and miss you.

“ You had a life well lived. The ways you showed how you loved your children, grandchildren, husband. The many travels you enjoyed together. Know that you raised a strong family. You always put your family before your own needs. I always had to take a piece of that awesome coconut cake you made during the holidays home to eat the next day. Will miss and love you always but comforting to know you are at peace. Your daughter in law Kristy Abbott.
