“ *'Skyler was my student last year. It was a joy to have him with us. Not only did he have a cordial personality, but he stood out in terms of integrity. I have no doubt that this is due to the home in which he was raised. \r\nMy heart is broken to have learned of his passing. My heart is broken for his parents and family. May the peace that surpasses all understanding be with his mother and father. You are in my prayers daily.\r\nPatrick Edison\r\nTulsa Technology Center'*
