“ *'It is so hard to accept the fact that you are no longer here. I have prayed for you every morning since your diagnosis (I made that promise to you!)... and now, that is a hard habit to break. So I will pass my prayers on to your sweet girls and your husband who are missing you so much right now! You never stopped fighting, you just kept right on going and never seemed to miss a beat - you were a not just a fighter, but a WARRIOR in my eyes. You will be missed.... with much love.
