“ My first memory of Steve (and Judy) was visiting them at their house - Aunt Kathleen was still living - Billy and I were about ages 5 and 4 maybe and I thought he was so cool and good looking and I couldn't believe how nice they were to little kids. (Steve is 11 or so years older than me, so he was a teenager.) Both Judy and Steve are so genuinely caring and just plain nice! Because of illnesses and the deaths of my son and husband over the past decade, I haven't been home to OK to see all the LeMasters in over 12 or more years. To Lu Ann and family, praying for all. Steve is with our Lord and Savior, as are so many of our loved one's who know Christ, but we'll still miss the laughter and jokes and good times until we're all together again.

“ *Luann and family,
May Our Lord carry you through this.
Truly, Steve was one of the finest men I have ever known; he
always put other peoples needs above himself.*

“ *Steve was so entertaining to work with. Once in the summer during
water play with the daycare I squirted him with a squirt gun and
when I came oitside he dumped a big bicket of water from the
balcony on my head. There was never a dull moment with Steve
around. I could honestly write a book of his humor and kindness. I'm
sure he has heaven laughing!*
