“ Betty,

My memories of Steve are are tied to Hodson, of course. He valued and respected our veterans along with you and was an important part of the wonderful Veteran's Day programs you directed. I'm pretty sure I remember him tearing up off and on reading their stories and I know he cherished calling out each individual's name during the programs. His patriotism was very evident to me. And I witnessed him supporting YOU and being a loving husband to you. If it was important to you, it was important to Steve. That's the Steve I remember...a loving and devoted husband to you. That's a wonderful memory for me to remember Steve by. Lyle and I will be praying for you and Ryan. Your family is loved by many. With love and sympathy, Karla Price

“ Words cannot express the gratitude I have for Steve and his wife Betty Holleman. He was my teacher in middle school, colleague when I became a teacher and taught with Betty in Owasso, and friend as he supported my daughter for over 18 years ago.

I learned I would be taking custody of my great niece (Olivia) when she was 3 months old in November of 2005. Olivia came to me with nothing. A few weeks passed when my doorbell rang. Steve brought a huge bag of Christmas presents for Olivia. He and Betty shopped for her as if she were their own. I eventually adopted Olivia. She took piano lessons from Steve's wife Betty from the age of 5 to age 17. Olivia graduated last year with honors due to the prayers and support of the Holleman family. Steve was there for every piano recital. My story is just one of several stories of Steve's generosity. He was a man of God who impacted generations. I've learned from his leadership, life and love.
