“ Thinking of my old pal and workmate from the IT Dept at ORU. Steve-O made my job so much more enjoyable and welcoming with the many lunches we enjoyed together. We were often joined by others for lunch, and I would often tease Steve because he always seemed to order whatever had BEEF in it. 🍷 Today I am still listening to the Altec PC speakers and subwoofer he helped me set up. He even went out of his way to introduce me to his wholesale supplier so I could build my own computers (with a little of his guidance). Thank you, Steve, for enriching my life, for your brotherly friendship, and for being such a fine man. I miss you, bud. Peace to his loved ones.

“ I will always remember Steve as a faithful and helpful employee and friend when he graced us with his presence at ORU. Steve radiated Christ in everything he did. My prayers of sorrow but also joy in knowing Steve is rejoicing in Heaven are for his precious family. God's Shalom, John
