“ As I read through the Obituary, I realized that Susan and I went to the same high school. I graduated from Nathan Hale a year ahead of her. It's such a small world. Sending Love and Prayers to you and your family.

“ One of my best gifts ever as a kid was from Aunt Susan. A McDonald's Playdough set that as a little kid was gigantic to me. Something I'd never even dreamed of getting it was so cool. I even let my sister play it with me because there were enough gadgets and dough to share without fighting. 😊😊😊 thank you for everything you've done for your family and patients alike. 💕💕

“ We spent many years with Susan at the softball fields. She was always vocal and even thrown out a few times. She was so fun to be around and part of our softball family. She will be missed by many. Sending our love to her family.
