“ I'll never forget the first time I saw you. I'm glad you found it in your heart to allow me to be by your side again. Third time was a charm and I finally realized where I was supposed to be... at your side. Even though we don't have the paper, you'll always be my loving, giving, patient and beautiful wife. I found the name badge from your reunion this past summer. I will always love you Tabitha Jaye Mendez. Kisses my love!!!
