“ Oh Tate, my Kevin James. My life is forever changed without you. It will be very dim for a long time. I'll never forget the day we met 7 years ago.... you thought I'd turn around and cuss you out after you booped my bun but I turned around and thought you were so hilarious (because you were) and that's how our friendship started. Thank you so much for booping my bun. You made the following 7 years so bright and full of laughter. I will always love you endlessly. You will never be forgotten as long as I'm alive.
