“ Mrs. Bright was my favorite teacher at William Penn Elementary when I was 9 years old to 12 years old, from 1960-1962. She taught music. She encouraged me and let me play piano in the assemblies from time to time. I went on to accompany choruses throughout junior and senior high and then for churches from the time I was 12 until the present day. She was supportive and encouraging and meant a great deal to me. I have never forgotten her and never will forget her. I truly loved her. Enjoy the music in Heaven, Mrs. Bright.

“ Tennie was always such a sweet positive influence on all the children she taught. What a wonderful person to have as a friend. I wish I could attend the service but my bad back keeps me from participating. I send my love and condolences to you and your family.
