“ *Teresa was a special friend. She encouraged me while I was in Career Point, she celebrated with me when I graduated. We had lots of fun playing cards, going dancing, cookouts, and playing volleyball and baseball. One memory that sticks out was playing baseball on a half muddy baseball field. She was running to second base and hit a muddy patch lost her balance and did a boob slide to second base. She was safe. I love you and you will be missed so much.*
