“ *I loved Terry and always looked forward to seeing her when my work truck had to go to the shop. I also belonged to the TTT and went to many of their retreats with Terry. We all painted together and had lots of fun. I will greatly miss her updates & posts on FB*

“ *While in the doctor's office this morning, I received a call from Patty that wrenched my heart. I can only imagine how tough that phone call was for Patty. Terry was my friend. I'm so sad right now for the family and knowing Terry and I won't be able to laugh and reflect over our time at SBC. Terry and I met in 1991. We worked in Fleet Operations, SBC, Tulsa. She and I became each other's confidant. Mrs. Helm, Terry's mom, would on occasion bring us lunch and even eat with us. It was a joy to have Terry as my assistant. She taught me how to paint T-shirts, vest and sweat shirts. We shared so many memories. I extend my condolences to Carl, the boys, grands, and siblings. Terry's entire family are some of the loving and warm folk that I ever met. I find it a privilege to have known Terry. May God give you comfort for the joy and great times you had with her. I love you guys. Thanks for sharing her with the world!*

“ *When I think of Terry, I picture her painting with Gloria and Diane at a table at our Oklahoma City retreat. She was always so much fun. Her smile was big and her attitude was wonderful. I also remember her at the OKC Painting Palooza, getting ready for class, going to class or just getting out of class. Such an awesome painter. We at Creative Artists of Oklahoma and Twister Brushes love you and will miss you.*

“ Terry was a dear friend that I met through Tulsa Town Tolers. I always loved going to retreats with her and Terry was one of the kindest people I've known. She never failed to pick me up and drive us to the retreats.

We had many laughs on those weekends and all the other times we painted together. She always brought us the best desserts to TTT for all of us; just one of the many ways she was always thinking of others. My heart was broken to hear she had passed away. She is deeply missed already! Gloria Lawes

“ Terry was always a pleasure to be with. She and I became friends through Tulsa Town Tolers, and her friendship is one I treasure. I will miss my friend, pray comfort for her family and will look for her next masterpiece to be painted across the sky in the clouds or a spectacular sunset.
