“ Terry was one of the most profound impacts on my 57 years. This man was an incredible Manager of people, Friend of many, Leader of anyone in need, and an incredible (second) Father figure to myself and many more. Some don't love him (he was a bit misunderstood at times), most LOVED him.....BUT.. EVERYONE respected him. He taught me so much in my life with him, right or wrong, this man taught me to make a decision! RIP T-Brown, I will never ever forget your passion, drive to succeed and your ability to lead others to success. I will ALWAYS love you Terry. See you sometime in the future....💔💔👍👍 Steve Darwin (Your 1998-2005 “problem child”)

“ One summer around July 4 our family setting off fireworks. Suddenly a fire started in the field in front of our house and Terry started running (like a gazelle) to the fire and quickly put it out. He was just like a Super Hero to me.
