“ Jackie was a special friend of mine when she lived across the street from us in Fernandina. She always had a smile and we just enjoyed each other's company. I enjoyed seeing her puzzles that she would put together on the kitchen table. She was not only good at puzzles but she could play a good hand at cards!! I'm sorry for your loss. I know she will be missed by all her family and friends. God called her home and heaven celebrates her homecoming. Jerri, I'm so sorry for your loss, my prayers are with you. Mike and I send our Love, Judy

“ *Am honored to have loved and been loved by my other mother, Jackie Tipton. As much as she will be missed, we are all blessed to know she is with her Savior - probably, making him laugh, too.*
