MY

“ Hey Tony, wanna take a walk?
It's been a while, I'd like to talk,
I see you in the sun as it glows through the tree,
And the stars that seem to throw a wink towards me,
Are you there or maybe you're in the rain?
The cold drench the quenches my pain,
Maybe you are the moss, so beautiful and light,
Maybe you're the only one that can make things right.

Hey Tony, wanna take a stroll?
Maybe you're the rumble in the cars as they roll,
Are you in the sky so clear and blue,
Or in the lyrics that we both knew,
Can I find you when I roam,
Or have you already headed home,
Maybe I can find you in the street lights,
Maybe you're the only one who can make things right

Hey Tony, I know you're gone,
But I see you in the deer and her fawn,
Maybe you're in the mushroom where life meets death,
Maybe you're in every breath,
I would trade the stars for one more day,
Anything for one more chance to say,
I love you yesterday, tomorrow, and always,
I fear my heart has turned into a maze,
Maybe you'll always be just out of sight,
Maybe you're the only one who can make things right.

I love you too much to let go, till we meet again <3
