“ ‘My sincerest heartfelt sympathies to the Easley family. I met and helped to train Truman through the "Hills" meals on wheels program. He was one of the best people I have had the privilege and honor of knowing in this lifetime. Truman was a devoted driver/deliverer who gave endless hours of his time in this pursuit. Whenever a driver needed someone to cover their route for them, Truman was who you called. Our clients always enjoyed seeing Truman and spoke highly of him. He was that "nice man" who delivered my meal they would say. I am shocked and saddened by his passing. He will be sorely missed by all of us at the "Hills". The world has lost a bright light, but heaven has gained a star.’
