“ Tyler you lit up anywhere you were with that big smile of yours, which always followed with a turn of the head laugh. Grateful for all the memories of you growing up and blessed to have them even after you grew into an amazing young man. I know you much you enjoyed the time with your mom, brothers and family at my Lake House and we plan on celebrating you every year there.

“ Tyler used to stay at our house with my son John. My husband was fixing his plate and all of a sudden Tyler said, who ever is fixing my plate, and proceeded telling us what he wanted! We all got such a giggle and then yes, he made his own plate! Your beautiful smile will be forever!
