“ while reading Verlon's Obituary, three words stuck in my mind. They were: Strength; Christian Faith; Caring. In addition to her faith, she had great strength of character and personal responsibility. Indeed her home was a home day care for children, but it was more. Her home was a caring place for those in need. Rest In Peace my dear cousin.

“ Verlon was a very influential person in our kids' lives! She kept both of our boys (Jesse and Conner) while Larry and I worked. She wasn't just "child care" - she was "Grandma Verlon." She helped mold them into the wonderful human beings they are. And for that we will be forever grateful! We were able to stop by a few years ago and introduce Verlon to Jesse's first born, Noah. It was a fun visit. Prayers for the entire family!
