“ *'Every day I look around and see things that remind me of my Mom. She was a strong woman who raised 3 kids. She always had a way of making me feel at ease. I cherish the time she was with us and miss her dearly. The fact that I can no longer talk to her whenever I want and need to still hasn't set in. She always had great advice and madee feel at ease in tough times. I miss you mom and know you are in a better place smiling down on all of us. I love you.'*
