“ Lynn was the best mentor a guy could have, AND a great friend. He can never be replaced, and he'll be missed very much by many. He always steered me in the right direction, and always made me laugh. Thanks Lynn, for everything!

“ When Lynn would call to talk business he always started the conversation with "Hey Sunshine" in the grumbly voice that only Lynn had. it was a pleasure to work with him and have those, sometime daily, pick me up words of greeting. He will be sorely missed.

My heart goes out to you and your family at this difficult time. - Jan Clemens

“ The earliest memories of Lynn ❤️ He had a Red Camaro he was very proud of. He use to cruise the neighbor well below the speed limit .. So everyone could check out just how cool he was! He always said what was on his mind the good,the bad,and the ugly. I loved that about him , you always knew where you stood with Lynn Newman. The last few years I would see him and Debbie at Walmart on Sunday Mornings Early. I'm going to miss those short visits with one of the best Men I had the pleasure calling my friend.
