“Kaye and I worked together at Heritage UMC in Broken Arrow OK. I had no idea she had passed away. I will miss her always.

“Kaye and I graduated from Muskogee Central High School together in 1968. She was a good friend. I had just gotten out of the hospital and was feeling pretty low. She came by and insisted that I ride with her to the apartment where she lived in Tulsa. When we got there she insisted we eat at a nearby restaurant, her treat. When I insisted on ordering a hamburger, SHE insisted that I should have a shrimp cocktail, since I had never had one before! She and I laughed when it was brought. I thanked her for the trip and the meal and have never forgotten the wonderful day she gave me. I will miss her so much.

“I am Virginia Kaye's aunt, Charlene Henry Donaldson; Kaye and her family visited us at our farm in Arkansas. She was such a beautiful little girl and we loved her so much. My mother was her grandmother: On the farm we had animals and chickens and kittens, Kaye loved all of them. Grandma had cookies and lemonade for us and we played games and fell into bed so tired. We loved her and she loved us. I will miss her greatly.
