“ She always welcomed me into her home and I couldn't wait to see what she had cooked. I learned how to make homemade coleslaw AND chocolate cake with homemade icing. Veronica took after her in that way. I am sorry for her family and the void that will be there. I'm thankful for the memories that she and Harland were able to leave for Veronica and Ronald, fishing with Harland and Virginia getting onto him when he fell asleep when he was watching them and Veronica found the scissors and gave herself a hair cut lol. I know she will be missed, and I am glad I was able to know her. Prayers for her family, sincerely, Leigh Ann Burton
