“ *You will be sorely missed. Vlad you have always been one of my closets friends. I am so proud of you for joining the marines. Enlisting is something that goes above and beyond anything I have ever done or consider. I will cherish all the memory's I have of you, going on vacation to Florida all the fun times we had. Every time I see the ocean I will see you. You will always be in my thoughts and I will celebrate you just like you would want me to. Your Friend Daris Mickle*

“ *Those we love don't go away, they walk beside us every day, unseen, unheard, but always near us. Death leaves a heartache no one can heal; love leaves a memory no one can steal. With God's love and grace, you shall pass into heaven. Death ends a life, not a relationship. Thank you Vlad, for all the happiness that you have given us. Forever in our hearts and memories.*
