“*'My condolences to Wanda's family. I got to know Wanda when she moved in to Homestead of Owasso. We talked often when she was on the assisted living side. When both she and my father moved over to the Villa side, we still talked regularly. She was an absolute delight and she will be missed.'*

“*'My deepest condolences to Wanda's family. I knew her for such a short time. Wanda and my mom were both residents at Oxford Glenn. Wanda was such a character and I enjoyed spending time with her. She cracked me up. I always knew I would get a tap or a smack on my butt when I walked by her. Such a fun and funny lady. I hope I'm like her when I get older, full of spunk! It's was a pleasure knowing you Wanda, thanks for the smiles!'*
