“ *The first time I met Jean was at a Southwest Airline meeting at Tulsa International Airport. I thought I've just got to get to know this lady a lot better. We worked at Southwest Airlines for 28 years and we traveled the world.. The first place we went was Paris and we thought we were going to the moon. We also took her grandson Bronson to Seattle once. Jean was a very good and caring friend and I will always miss her dearly.*
