“ Wilma and I shared a wonderful time working together. We thought alike and enjoyed the same things. I learned a lot about her love for her students and how she worked to help them all. She loved her family and I am so blessed to have been her friend.

“ Debbie and Jerry, So sorry for your loss. Your mom tried to teach us proper use of language and reading skills. Sometimes it would sink in, others it just bounced off. I am sorry I have lost contact with you all. The last time I saw your mom was about 1996 I believe in the old Mustang restaurant in Oologah. God bless you all and stay well.

What great memories Wilma and I shared. I treasure all of them. I was so blessed to be able to work with her for so long. She was a special lady. And she loved her family completely. Donna Newcomb.
