“ *Winnie was a very sweet person. Your mom and dad were special to my husband and I. He was our pastor when he was only 19 years old, He was the first pastor at Lawton First Free Will Church. He led us to the Lord. Sometime later he met your mother and they were married. We visited you when you boys were very young at Duncan. We were Facebook friends. I send my prayers to you two sons and the rest of the family.*

“ *Granny, I love you so much. I'm grateful you are no longer physically struggling on this side and walking the streets of gold now with your body made new. I will enjoy all of our precious memories I have many. But I think part of our special bond was through music and speaking on our faith. I am honored and feel so privileged that I was blessed to hold the title of grand daughter to you. You are and were an incredible and inspiring woman. I will be sure to tell my kids all about you as they grow. Your memory and story will live on! I love you! Fly High Granny. - Anna Rushing*
